

# Being a Good Sport

It's important to be a good sport when playing cricket with other people.

If I try to be a good sport, the people I play with will feel happy. They may ask me to play more games with them. Then I'm a good sport.

I feel happy when I win a game. Other people also feel happy when they win a game.

I can try to say 'good game, thanks for playing' at the end of the game. Then I'm a good sport.

I can try to tell another person what they have done well. Then I'm a good sport.

I can tell my friend or an adult what I did well in the game. I'm trying to be a good sport.

If I try to be a good sport my parents and my coach will be proud of me.
